Entrepreneur Academy

This program empowers teens and adults to launch their own businesses by providing personalized support, resources, and expert guidance to help bring their entrepreneurial dreams to life.

Down Syndrome Association of Central Florida

NATIONAL DOWN SYNDROME ENTREPRENEUR ACADEMY est 2017

Step-By-Step Instruction

Participants will be guided step-by-step through each stage of starting a business, including financial planning, branding, marketing strategies, and more.

Financial Support

Don't let financial concerns hold you back from starting a business. We offer startup scholarship packages to participants who complete our program.

Community Visibility

Complete our program and earn the opportunity to showcase your business with a featured booth at our 2025 Walk event.

The Entrepreneur Academy is a one-of-a-kind program designed to empower teens and adults with Down syndrome to build successful businesses. With guidance from industry experts at every stage, we are dedicated to turning unique ideas into viable, thriving enterprises.
